(A) The cohort class reporting period for the 12-month Boatbuilding programs is from October 2020 to September 2021. There was no information to report to the ACCSC in the October 2023 Annual Report, because there were no Boatbuilding cohorts during that timeframe. Due to the COVID-19 pandemic, the classes starting in October 2020 were delayed until October 2021.

(B) The cohort class reporting period for the 6-month Marine Systems program is from July 2021 to June 2022. These numbers represent the class of 2020-2021 which started in October 2021 and graduated in March 2022.
